

Strengthening Your Personal Firewall

Darlene Quackenbush
James Madison University

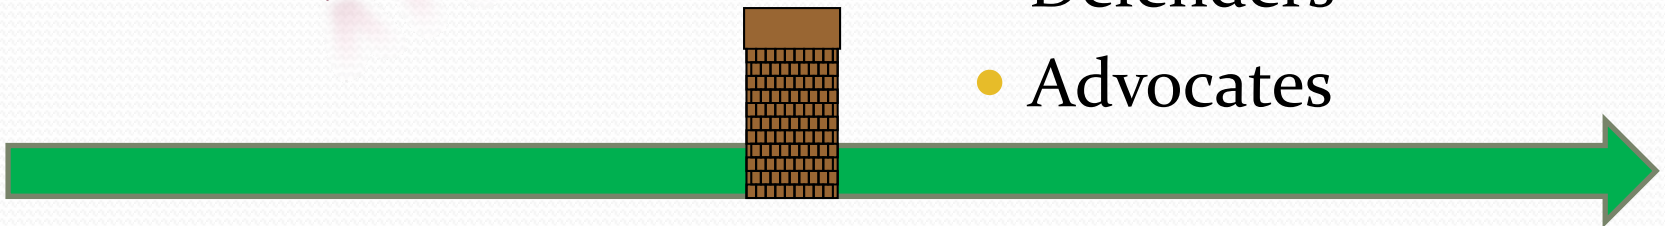

VASCAN Conference
October 6, 2009

People are part of our systems

- Requirements
- Selection/Planning
- Implementation
- Users

VULNERABILITY

- Sensors
- Defenders
- Advocates

Involvement ?

requirements, selection/planning, implementation

- Serious
- Regular
- Methods

Engaged users?

Vulnerability?

- Why?
- Strategies

Personal Firewall?

- Sensors... Defenders... Advocates ...

Repeat . . .

- Constant attention
- New people
- New strategies
- New tactics

- Requirements
- Selection/Planning
- Implementation
- Users

VULNERABILITY

- Sensors
- Defense
- Advocates
