

## Term Information Page

*In this tab you can view your enrollment dates, exam schedule for the classes in which you are currently enrolled, and your grades.*

 **The exam schedule does not appear until approximately 4-8 weeks into the semester. An overview calendar is posted to the Academic Calendar available on the UVa web page.**

After clicking the “View my enrollment dates” link, you will see begin and end times for your enrollment appointment and the credit limits for your school.

- 1 The first dates are when you can validate enrollment requests in advance of your enrollment appointment.
- 2 The second section shows the dates when you can add classes and the credit limits applicable to your school’s initial enrollment period.
- 3 Open enrollment is when you can add even if you don’t have a valid enrollment appointment.
- 4 The term enrollment limits are the credit limits applicable to your school for the term.
